WORK EXPERIENCE

Prifina

Coordination Intern

San Francisco, CA

June 2022 - August 2022

- Recorded notes of biweekly product calls and monthly progress calls
- Gathered data and analyzed over 300 competitors to gauge relative market competitiveness
- Composed and presented a final presentation to visualize where Prifina stands in the market

PROJECTS

Where Do We Eat?

Group Project @ VenusHacks 2023

- *Where Do We Eat?* is a website that utilizes group preferences to suggest dinner spots, and includes an upvote/downvote system to bring favorites to the top
- Developed and implemented the backend system utilizing Python, leveraging the Yelp API

Portfolio Website

- Deployed a personal website that highlights and explains my professional endeavors using HTML and CSS
- Graphically designed all logo and image elements

LEADERSHIP EXPERIENCE & ACTIVITIES

Product @ UCI

VP of Community Development, Club Member

Irvine, CA

September 2022 - Present

- Explore sectors within the tech industry such as Product Management, Product Design, and Product Marketing
- Learn product development processes such as Figma and whiteboarding skills
- Brainstorm and conduct social events to increase community and retention within Product Association

Girls Who Code

Founding Member, Instructor

Burlingame, CA

August 2020 - May 2022

- Hosted Zoom lessons for 50 middle school girls using original lesson plans to teach Python
- Attended weekly meetings to explore hardware and software mechanisms

The Leukemia and Lymphoma Society

Candidate for the Students of the Year Campaign

San Jose, CA

October 2020 - April 2021

- Raised approximately \$20,000 for blood cancer treatments and obtained Hall of Fame recognition by campaigning in the community and meeting with 3 CFO/CEOs to obtain sponsorships
- Directed a team of 14 multigenerational members to achieve fundraising goals and manage financial operations
